

Welcome to the Parkview Motorcycle Club

Club Notes

- Club leaders are Mike High (708-714-0711 or MDHJR54@Comcast.net) and Scott Shiley (630-885-9265 or Scottshiley@gmail.com)
- All rides are subject to change based on weather conditions or schedule conflicts. We will do our best to notify everyone (via E-mail) if/when the ride schedule changes.
- Parkview based rides (noted with an asterisk *) will begin and end at the Parkview campus in Orland Park unless noted otherwise. You must have a completed ride waiver on file for the season (see Mike High for forms). Rides will meet and leave from the designated motorcycle parking area in the West parking lot.
- Would request that you make every effort to wear Parkview Motorcycle Club branded shirts and/or patches (see Mike High for selection and prices).
- KSU = Kickstands Up or ride departure time.
- As a courtesy to all club participants, please make every effort to be on-time and ready to ride by the designated departure time. This would include having a full tank of fuel.
- You do not need to own a bike in order to participate, there are plenty of drivers who can accommodate riders (just let Mike or Scott know).
- Ride participation is open to anyone and all Parkview locations. You absolutely do not need to attend or belong to Parkview in order to participate in any of the rides. All are welcome, invite your friends.
